

Charming Strawberry Cheese Cake

Fresh strawberry sauce with fresh strawberries and blueberries,
Bring fresh and natural enjoyment.

Cold "mousse" entrance immediately melts

Between the lips and teeth leave a trace of light chocolate aroma,

Light mousse and mellow chocolate blend on the tip of the tongue

Carefully aftertaste, chocolate thick aroma wrapped in the mouth,

So seductive...

Cute strawberry cheese is here,

Fruity rich and long aftertaste,

Fresh strawberries have just taken from the branches,

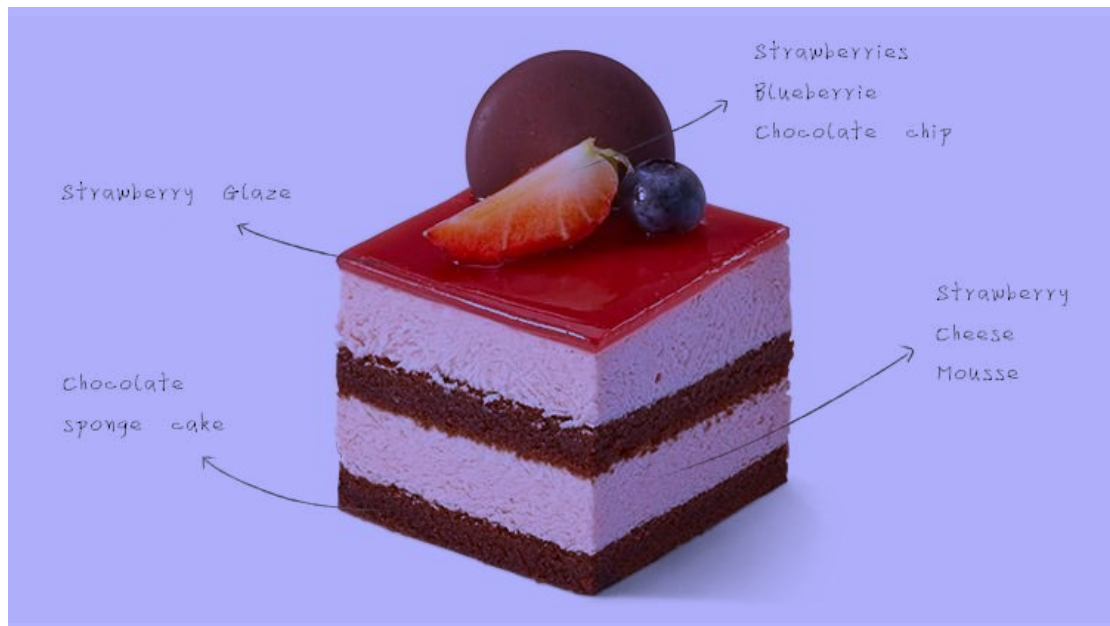

And mousse, and chocolate together,

In your tongue, in your heart,

Bring the most fresh, the most delicious fruit experience.
